1. Scope of survey

This survey covers public or private warehouses storing major edible and inedible fats and oils.

2. Figures to be reported

Companies with more than one establishment manufacturing the products covered by this survey are requested to complete a separate report form for each location. If you have not received a separate form for each of your establishments, please call the contact shown on the report form or write to the Bureau of the Census for additional forms.

If you cannot report your stocks as of the inventory date specified, please enter the inventory date you used in Section IV, "Remarks."

If you are not holding stocks of an oil which is prelisted on your report form, please post "0" or "NONE" for the month. This will avoid any misunderstanding on our part.
